inspection, and it is always in their cradles.

REPUBLICAN POLICY.

Congressman Julius Caesar Burrows, of Michigan, who intends to make our mountains and valleys ring with the Chicago has a population of nearly tive list is invariably lower, but with the excep sounds of his voice in the approaching 1,000,000 people not more than half of tion of Jersey Central, the declines are for small too clamorous for its rights. The rules under which the house of representatives has worked for the last twelve years, during ten of which the democrats have been in the majority, have only now, when the republicans have an ufinitesimal majority. state campaign, is hotly advocating an whom are implicated in the Cronin Chicago, June 27.—Cattle—Boschus, some years all those who have enough water to tide them inority. The numerous occasions upon which the republicans have availed themselves, during that period, of the right to fillbuster against the passage of a measure that was objectionable to them must have made them familiar with the possibilities of the rules, and yet while they were the minority no protest was heard from that side of the house that the rules permitted them too much latitude.

CHICAGO PRODUCE.

**Some Propulsion Propulsion Propulsion Propulsion Propulsion P ties of the rules, and yet while they were the minority no protest was heard from that side of the house that the rules permitted them too much latitude. The movement for revision of the rules, which has far more advocates, and movement for revision of the rules, which has far more advocates, and abler ones, among the republicans of the sees and jury system—the most expensive and useless relic that feudal days have left us. abler ones, among the republicans of the abler ones, among the republicans of the house than the vociferous Burrows, is in keeping with the policy of the republican party to stamp upon a minority, to allow it no privileges such as they themselves were accorded when they were the minority, and to display generally a spirit of intelerance not at all in keepspirit of intolerance not at all in keep-River Press: As a matter of general information for those who may be uncertain as to the exact condition of the weather in this locality, we would respectfully state that the republican party had reached the conscienceless stage of its existence. How much longer it will continue to live, regardless of right and justice, is

a question that time will decide. That the republicans are preparing to resort to desperate measures is shown from the general desire among congressmen of that party for a called session in order that contested election cases may of the caives lived, and will probably be raised. The animal is the property of Mr. Joseph A. Baker, cashier of the First National bank of this city. be quickly disposed of, the rules be quickly disposed of, the rules Madisonian: Red Bluff is jubilant once amended to stifle opposition, and party more. With Col. Carter's return renewed measures put through, so that when the canvass of 1890 begins all the election machinery in the south may be in the the hands of republican officials, appointed for the single and sole purpose of controlling that election and subsequent ones in the interest of the repubican party. It is a program that calls for the firm resistence of democrats in congress, backed by a vigorous public sentiment throughout the country.

live, regardless of right and justice, is

REPUBLICAN SOUTH DAKOTA. Dakota is and has been republican. How it has been made and kept so is shown by a correspondent of the republican New York Tribune, who discussing

lican New York Tribune, who discussing the preponderance of foreigners in that territory, relates the following:

"I know of a settlement of Finlanders in South Dakota in which there are ninety voters. But one man, Wintori, can read English, and he controls the entire number of votes. At a close county seat election, a few years ago, one town, which asion, a few years ago, one town, which as- known in this section, and that, too, with known in this section, and that, too, with the most favorable weather during the comment of the shire capital, purchased Mr. Wintori and his ninety votes for \$10 and a new dog-skin overcoat. The rival town, hearing of the transaction, raised the bid by an offer of \$15, a suit of ready-made clothes and a jug of alcohol, which was accepted and the votes delivered, ninety-one in all, the intelligent judges of election arguing that as Wintori was an educated man he should be allowed to vote twice."

South Dakota can be relied upon to

South Dakota can be relied upon to elect republican state officers in October, together with a republican congressman and a republican legislature which will and a republican legislature which will be rection of the building, and will put a crew of men to work at once and push it to completion. This elevator will have a capacity of 2,000,000 bushels of grain. In the meantime Mr. Benepe has selected the ground for his elevator in block 103, and will push it to completion, giving Bozeman choose two republicans to represent the will push it to completion, giving Bozeman the only two elevators in the territory. new state in the senate of the United States. The republican party has the "boodle" and the skill to employ it in securing floating voters in "blocks of known.

Prepared by a combination, proportion and process peculiar to itself, Hood's Sarsaparilla accomplishes cures hitherto unknown. five," according to the Dudley plan. SAVED .- A fine family of children wer
